The 4<sup>th</sup> International Conference ***PROCESSING AND STRUCTURE OF MATERIALS*** (PSM4), organized by the Association of Metallurgical Engineers of Serbia and Faculty of Technology and Metallurgy, University of Belgrade, will be held in Palic, Serbia from May 27 to May 29, 2010.

The Conference will focus on new achievements from research results in processing, manufacturing, structure/properties relationships and application of advanced materials, bringing together specialists, research scientists and industrial technologists.

The topics of this Conference will be of particular interest to metal producers, engineering companies, equipment manufacturers, academic communities and the consulting business. There are no parallel sessions in order to offer all attendees a comprehensive up-date in the field. The event will provide a platform for networking, technology transfer and project collaboration.

Come and enjoy the Conference and the city of Palic, meeting your colleagues, maintaining old friendships, and establishing new ones.

Mark your meeting calendar for May 27-29, 2010.

The aim of the 4th International Conference on Processing and Structure of Materials is to present recent research results in processing, manufacturing, structure/properties relationships and application of advanced materials, bringing together specialists, research scientists and industrial technologists. Authors from universities, research centers and industry are invited to submit papers to the Conference.

The Conference program will include papers concerning the following topics:

- [1] Extractive Metallurgy and Recycling
- [2] Casting
- [3] Deformation processing
- [4] Structure and phase transformations
- [5] Materials design and application
- [6] Modelling and simulation
- [7] Nanomaterials
- [8] Microstructural and interface characterization

**Abstract submission**

The Organizing Committee invites authors to submit Abstracts for consideration for presentation and inclusion in the program.

Abstracts can be submitted by:

a) Sending by e-mail to: [info@congrexpo.co.rs](mailto:info@congrexpo.co.rs)

File name: Author Last Name\_First three words of the Title.doc

b) On-Line Abstract Submission Form at <http://www.psm.org.rs/>

**Important Dates**

Submission of abstracts: November 1<sup>st</sup>, 2009

Notification of acceptance: December 1<sup>st</sup>, 2009

Submission of manuscripts: March 10<sup>th</sup>, 2010

**Scientific Committee**

E. Romhanji, Chairman, Faculty of Technology and Metallurgy, University of Belgrade, Serbia

M. Jovanović, Institute of Nuclear Sciences Vinča, Belgrade, Serbia

N. Radović, Faculty of Technology and Metallurgy, University of Belgrade, Serbia

M. Popović, Faculty of Technology and Metallurgy, University of Belgrade, Serbia

T. Radetić, Faculty of Technology and Metallurgy, University of Belgrade, Serbia

D. Pantias, Technical University of Athens, Greece

M. Plančak, Faculty of Technical Sciences, University of Novi Sad, Serbia

B. Verlinden, KU Leuven, Belgium

D. Živković, Technical Faculty Bor, University of Belgrade, Bor, Serbia

K. Delijić, Faculty of Metallurgy and Technology, University of Montenegro, Podgorica, Montenegro

M. Djurdjevic, NEMAK, Austria

**Organizing Committee**

N. Radović, Chairman, Faculty of Technology and Metallurgy, University of Belgrade, Serbia

D. Glišić, Faculty of Technology and Metallurgy, University of Belgrade, Serbia

M. Korać, Faculty of Technology and Metallurgy, University of Belgrade, Serbia
